Dear Presidents,
Dear Secretary General,

I acknowledge receipt of your letters following the decision of the ICMG Executive Committee to include Badminton in the 2013 edition of the Mediterranean Games in Volos and I thank you very much for your appreciation.

I have taken good note with great pleasure of your will to offer your full support to the Organizing Committee for a perfect running of the Badminton event during the 2013 Mediterranean Games. I am sure I can trust you to make this first experience very fruitful for both of our organizations.

The President and the General Director of the Organizing Committee will very soon get in touch with you in order to study carefully with you the details of implementation of the ICMG decision.

Yours sincerely,

Amar ADDADI
